EXAMINER										Date Considered																													
Edu B. O. Am...										12/31/06																													

\*EXAMINER: Initial if citation considered, whether or not citation is in conformance with MPEP 609: Draw line through citation if not in conformance and not considered. Include copy of this form with next communication to applicant.

Applicants: John A. Salon, et al.  
Serial No.: 10/825,581  
Filed: April 15, 2004  
For: DNA Encoding A Human Melanin  
Concentrating Hormone Receptor (MCH1) And  
Uses Thereof · EXHIBIT A
